

# RAMIT ARORA

Front-End Developer  
www.ramitarora.com  
DOB: 29.01.1990

## About me

I am a self-driven front-end developer and Interaction designer with broad technical skill-set, strong attention to details. I am having a unique balance of creative and technical expertise & a strong background on the web. I have a passion for solving problems, constantly perfecting my craft, and producing work that I can be proud of. I have consistently achieved success by maintaining a healthy balance between user satisfaction and code quality. I have a tenacious work ethic, and a knack for fresh 'n clean UI design. I'm especially good at getting productive quickly on new projects

## Skills

### Front End Skills

Hand crafted code, Material design, detail oriented design, Style guides

### Responsive Design

Adaptive designs, cross-browser compatibility fluid design, Email Design etc.

### CSS Tools

CSS frameworks: CSS Grids, LESS, SASS, Bootstrap, purecss.

### Javascript

ES6, React.js, typescript, modernizr.

### Design Skills

Wireframing / prototyping, Logo Design, branding.

### Version Control Systems

Git / Github version control system, Invisio communication system.

## Characteristics

### Passionate

I love web & i am really passionate about regular learning. Trying new tools and techniques and doing same thing in different ways are one of my passion. i am always up-to-date for design blogs and latest tools.

### Detail Oriented

i am a type of person who has an incredible eye for detail and user experience. I go above and beyond to ensure my work is of the highest quality and meets industry standards. I always test for cross-platform inconsistencies.

### Creative

I am having creativity to develop beautiful, practical and user-friendly user interfaces. With the creative mindset, a developer can produce aesthetically pleasing and user-friendly interfaces.

### Adaptable

I am having ability to learn quickly and communicate clearly. Front-end frameworks are evolving and changing at a rapid pace, so being able to adapt quickly and work well with others is very important.
